

Motivational Remarks for the Botho University Virtual Graduation, 10th July 2020

Student Representative Council (SRC) President, Francistown Campus

Mr. Baaitsiwe Anderson

Hi, my name is Baaitsiwe Anderson, current president of Student Representative Council (SRC), Botho University, Francistown Campus. All protocols observed.

I would like to take this opportunity to congratulate all the students who are graduating this year, to say to them this is a virtual graduation, but the official graduation will be done after the COVID19 pandemic. Go out there and explore your innovation, leadership and excellence that you have learnt in Botho University, set a trend for us who are upcoming graduates in the industry to say that we are employable. Also, to those who are not employed go out there and explore your entrepreneurship skills by starting your own businesses. We will be there for you to support all the businesses that you have started. Lastly, I would like to encourage you guys to take care of yourselves in this pandemic, wash hands, wear your masks and also practice social distancing. Thank you.
